

# ORCHARD AGRI

## Hand Pruning Shear

Model	Cutting Capacity	Weight	Dimensions
F-708A	Branches up to Ø20 mm	195g	20cm x 5cm x 1,5cm

The ergonomic and lightweight handles of the F-708A pruning shears provide maximum force with minimal effort. In conjunction with the soft non-slip plastic coating, these bypass shears fit comfortably in your hands and make for a smooth and easy pruning season.

The handles however are just the beginning. Teflon coated SK5 Japanese Stainless Steel blades easily cut through branches with a diameter of up to 20mm. These are truly the most economical bypass pruning shears on the market today.
