

## M-CUBE POWERQUAD M cordless LED work lamp

### Lamp with powerful light source and interchangeable battery system

- Continuously dimmable (5 to 100 %) light source (200 to 4,000 lumens)
- M-CUBE interchangeable battery system avoids down-time/charging time
- LED panel with highly efficient SMD LEDs
- Opalescent cover produces a wide-beam light with reduced glare
- Six-way adjustable beam angle
- Impact- and break-resistant housing
- Made in Germany

Min./max. luminous flux	200/4000 lm
Colour temperature	5000 K
Impact resistance	IK08
IP protection class	IP 20
Protection class IP with cover	IP 54
Nominal voltage	18 V/DC
Protection class	Protection class III/safety extra-low voltage
Power rating	28.5 W
Min./max. operating temperature	-15 to 40 °C
Width x height x depth	300 x 320 x 140 mm
W-CONNECT capable	Yes, by using accessories

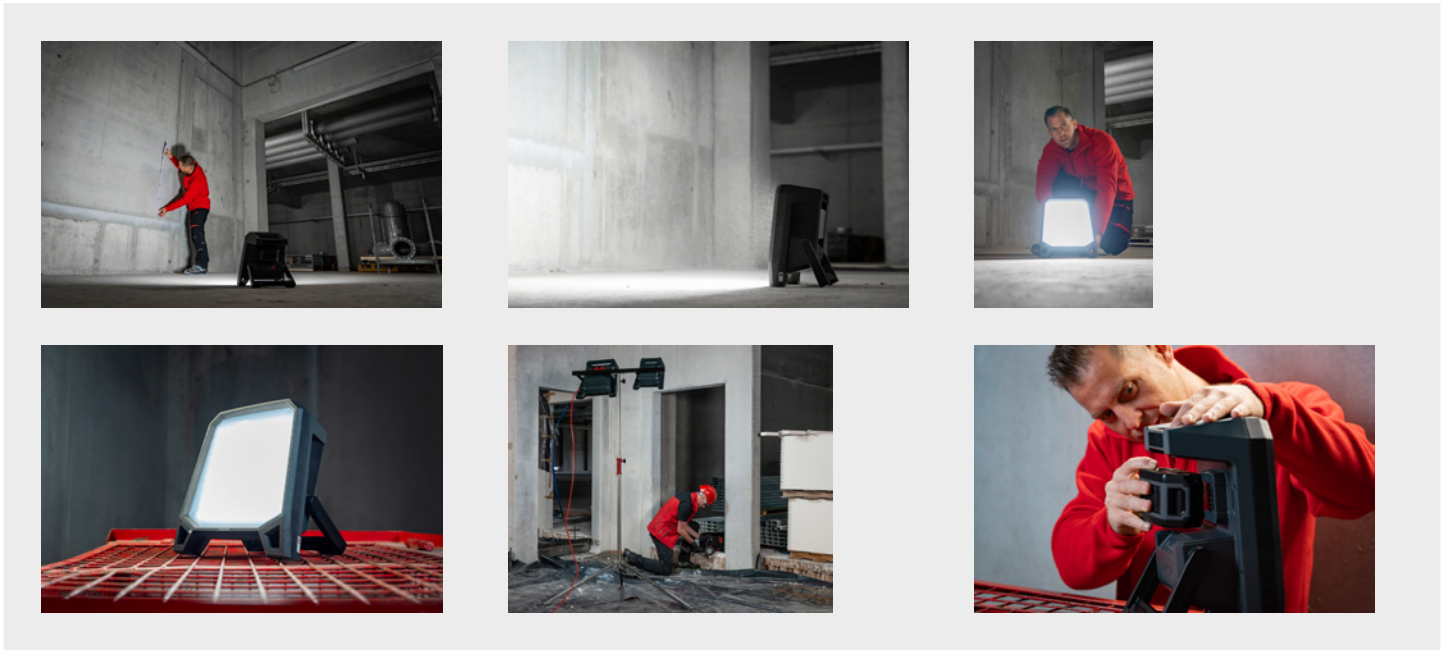

**Art. no. 5701 501 000**

P. Qty.: 1

### Details/Application

For indoor and outdoor use (with optional battery pack cover IP54)

## Instructions

Flashing lights (first level) and dimming down to 200 lumens (second level) indicate that the battery needs to be changed
