

1/2 inch and 1/4 inch socket wrenches Assortment containing 59 pieces

Practical metal box for workshop applications and mobile use, robust design, professional-quality ZEBRA® tool

Very extensive assortment of 59 pieces in a sturdy metal box

- This assortment provides a comprehensive selection of high-quality basic equipment for the workshop and for mobile use
- The robust metal box with handle and clip fastening has a virtually indestructible hard foam insert with clamping effect
- Valuable tools remain safely in place during transport
- You can see immediately if any tools are missing

Matching sockets and bits for almost any screw

- The 1/4 inch assortment includes 12 sockets with widths across flats from 4 to 14 mm and an adapter with quick-change chuck for the 15 bits
- The short bits are suitable for most screw types: PH, slotted, hexagon socket and TX
- The 1/2 inch assortment includes 19 sockets with widths across flats from 10 to 32 mm
- This means that almost all screw connections are possible

Powerful and efficient tightening with 1/4 inch and 1/2 inch tools

- The two rigid extensions can be used to transfer force directly
- The flexible extension, plug-in handle for 1/4 inch tools and the angle extensions for both sizes of tools ensure efficient and comfortable working
- The reversible ratchet has an ergonomic, robust plastic handle for comfortable and safe working
- The small 7.5° arc swing allows quick and fatigue-free tightening or loosening of the screws
- The reversing lever is used to easily switch between clockwise and anti-clockwise rotation. Thus the tool can be used with one hand

Particularly high quality for a long service life

- The surfaces are chrome plated and polished
- The surface provides lasting resistance against rust and ensures a far longer than average service life
- The long-term usability of the tools reduces the costs of replacement and storage

Number of pieces in assortment/set	59 PCS
------------------------------------	--------

Width x height x depth	350 x 55 x 260 mm
