Proflex Cutting Discs

Abracs Proflex Cutting Discs are manufactured for metal & stone applications in an extensive range of sizes. Their experience in manufacturing processes developed over nearly 3 decades, combined with the use of premium quality raw materials enables us to produce cutting discs with significant increases in product lifespan, performance and quality. All Abracs cutting discs are manufactured to European safety standards and marked with EN12413. Proflex discs offer professional quality performance and are a great value product, priced competitively with an exceptional cost per-cut ratio.

Phoenix Extra Thin Cutting Discs

A superior quality European manufactured range of extra thin cutting discs produced to O.S.A. Safety standards. Extremely fast and precise cutting with minimal effort required. Phoenix discs have been developed for precision cutting sheet metal and with strengthened core stability for reduced vibration. Our Phoenix Extra Thin Discs do not contain iron, sulphur or chlorine so are suitable for stainless steel cutting applications.

5-in-1 Multi Material Cutting Disc

The 5-in-1 Multi Material cutting disc has been designed for cutting applications on virtually all materials including metal, stone, stainless steel, aluminium and plastic/PVC. Professionals using this disc will no longer need to change discs for different materials leading to higher productivity, reduced product issues and increased operator safety.

Cobalt Holesaws

Abracs extensive range of expert quality Cobalt Holesaws for use on a wide range of applications. Our Cobalt Holesaws are designed for use by professional trades people and manufactured from premium quality materials. We use Bi-metal construction with 8% Cobalt for extreme strength, durability and performance. Abracs Holesaws are manufactured with high speed variable pitch teeth for fast and clean cutting and are suitable for use on a full range of materials. Each Holesaw comes individually packaged & contains full information on correct speeds, applications, fitting instructions and safety guidelines.
