Read carefully and follow all instructions.
Keep out of reach of children.
If medical advice is needed, have a product
container or label at hand.

REGISTRATION HOLDER: Bontera SA (Pty) Ltd
Company Registration Number: 2013/077999/07
Physical Address: Suite 2-102, Monument Office
Park, 71 Steenbok Ave, Monument Park, Pretoria,
0181 Telephone number: +27 12 347 0584

1 kg

Net Contents: 1kg / 2.2 lbs.
6 units per case

DIRECTIONS FOR USE:

Use only as directed. One 1kg bag is equal to 10 Litres of liquid concentrate. Dosage below per ml is based on the amount of liquid concentrate required. Ensure that mixing tanks and equipment are free of chemical residues and use fresh, clean water for the dilution. It is preferable to apply the product in the late afternoon or in cooler weather, avoiding UV-rays and extreme temperatures. Use mixed product within 18 hours.

SHAKE WELL BEFORE USE!

Bontera® Dynamik-T liquid concentrate is ready to use and can be applied to the soil by all known methods including in-furrow application, seed treatment, pivot, boom sprayer, micros and drippers and aerial sprays.

APPLICATION RATES

Soil drench application: 250ml/ha - 500ml/ha
Contact the supplier for Crop Specific Applications.

CO-APPLICATION:

Bontera® Dynamik-T can be co-applied with chemical fertilizers. Do not co-apply **Bontera® Dynamik-T** with fungicides. For best results use in combination with **Bontera® Impact** (M34) and **Bontera® FungiBac** (M133). Always refer to the labels of other products mentioned on this label for information on directions of use, warnings, precautions etc.

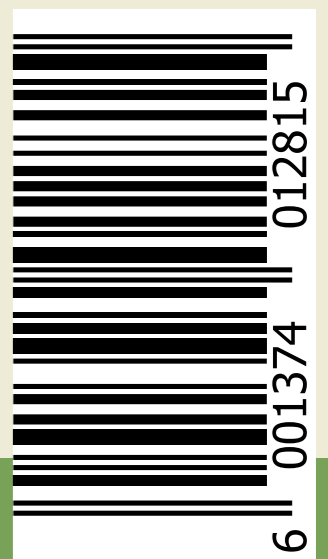

STORAGE:

Store in an airtight container under dry/cool conditions (20°C).
Avoid exposure to direct sunlight.

DISCLAIMER: Recommendations for the use of this product are based upon tests deemed to be reliable. The use of this product is beyond the control of the manufacturer. No guarantee, expressed or implied, is made as to the effects of such or the results to be obtained. The buyer assumes all responsibility, including injury or damage resulting from its misuse, including its application in combination with other products.
